Why Mom Burgers ?

To cook the burgers with methods.

We can serve healthier drinks. Like lemonade instead of cola or fanta.

We will use fresh vegetable instead of rotten or old ones.

Instead of deep-frying the chips, we will cook them in the oven.

We will use homemade sauces instead of packed ones.

The kids menu will include toys for both genders.

Each burger costs 7 euros.

The packages are going to be one colour for adults and two colors for the kids which will be blue and pink.

The packages will be eco-friendly.

What will
people gain
if they
prefer
Mom
burger?

They'll be able to have a whole burger menu.

They will be full.

People will eat burgers like the one their mother makes.

Our meats are delicious because they pass through the superior flavor control.

The acid content of acidic beverages harmful to children's health has been reduced.

It is an environmentally friendly and waste-free flavor.
